

COURSE OUTLINE

Course Name: Huawei Certified HCSA-Presales-Storage

Course Code: HW-HCSA-STOR

DURATION	SKILL LEVEL	DELIVERY METHOD	TRAINING CREDITS	TECHNOLOGY
2 Day(s)	Pre-Sales	VILT\In Class	Huawei Learning Voucher	Storage

Course Overview

The Huawei Certified Specialist – Associate (HCSA): Presales-Storage certification is targeted at the sales of Huawei IT storage products. The curriculum includes, but is not limited to the status and market trends of storage products, features, solution highlights and industry application. With HCSA-Presales-Storage certification, you will demonstrate a basic understanding of general requirements of customers and typical application scenarios of the products and position Huawei storage products more easily.

Prerequisites

Before attending this course, delegates should have a basic knowledge of storage terminology, and storage solutions. Knowledge can be acquired by:

- Completing 5 day HCIA-Storage course
- Alternatively , complete the on demand eLearning HCSA-Presales-Storage modules: 001 to 007 , on Huawei partner university's eLearning portal.
- It is recommended that delegates attending have access to Huawei's eDesigner and SCT platforms prior to attending the course

Target Audience

- This course is intended for individuals who are engaged in positioning and selling Huawei IT storage solutions.
- For Huawei channel partners that wishes to build Pre Sales capabilities

Course Outline

On completion of this course, participants should be able to:

- Position Huawei enterprise storage products and solutions.
- Satisfy customer's general business requirements.
